through February 2025 payments. All loans must be current at the time of the request. Skip-a-Pay is not available for Mortgage Loans, Commercial Loans, Lines of Credit, or VISAs. Interest on your loan will continue to accrue during the month that the payment is skipped, and only ONE payment may be skipped per loan.

I understand this action will extend the term of my loan(s) indicated by one month and interest will continue to accrue. To allow adequate time for EI Reno R.I.L Credit Union to stop a transfer from an external source, I understand that my request must be received at least ten (10) business days prior to my due date. I understand that I will be contacted at the phone number indicated if my request is not approved. I understand that funds may be transferred to my primary savings from my other account if sufficient funds are not available for the processing fee(s). I also understand that if the payment for the month requested to skip has already been credited to my loan, it will not be reversed. Instead, the following month's payment, if eligible, will be skipped. A fee of \$25 per loan applies to skip my payment. Federally Insured by NCUA.
